SOUP

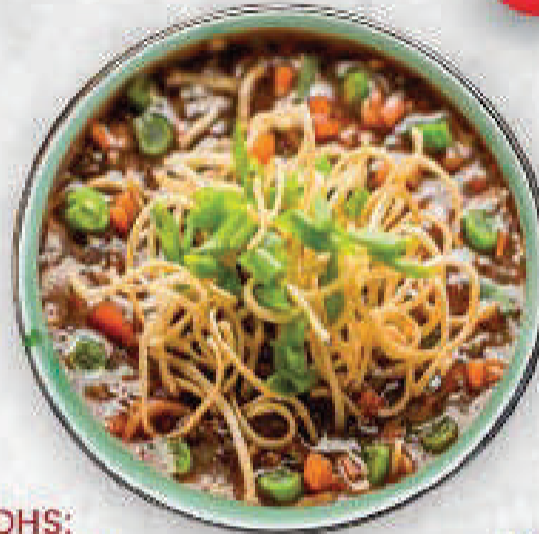

Soup is a primarily liquid food, generally served warm or hot, that is made by combining ingredients of meat or vegetables with stock, milk, or water. Hot soups are additionally characterized by boiling solid ingredients in liquids in a pot until the flavors are extracted, forming a broth.

SALADS

A salad is a dish consisting of mixed, mostly natural ingredients. They are typically served chilled or at room temperature, though some can be served warm. Condiments and salad dressings, which exist in a variety of flavors, are often used to enhance a salad.
